## The Dimmer VIEW

By MAX GOODWIN

I am genuinely sorry voters did not return Bert A. Betts to the school board. This is not to criticize Harry Buckner, the election winner, either.

Betts has been a good member with a clinical, lucid approach to school problems. He is a victim of a period where deficit spending is generally accepted. I think that his conscience would not permit this in him. He resisted upping the teachers' pay schedule until he and the rest of the board could see where the money was to come from. This is in the best fiscal tradition, of course, but the teachers demands were real . . . and now.

In losing to Buckner 570-417 Betts piled up enough votes to have won any former board election except the one in 1953 when Armstrong snagged 640 votes, but he couldn't overcome the effort of the group of teachers who worked arduously for Buckner, and this the teachers had a moral and legal right to do.

Betts, I feel, also suffered from the resentment which still lingers from the 1955 incorporation movement when bitterness was rife. Strong feeling still exists against those who continue to move in the political orbit. These votes, plus those he may have lost by announcing his candidacy for the State Controller's race may have cost him the school seat. In the state race he has said, in effect, that he would be devoting much attention to the race, and if successful, may have leave the school board. Mr. Buckner finds an extremely big pair of shoes to fill. He, or anyone else I know of will have to extend himself to do as well.

In the instance of the Grossmont High School board where Palmar Svalstad, a Lemon Grove man was re-elected, some problems are local. In his district Mt. Miguel High School will open this year with all the headaches accompanying a major project. Svalstad has the thankless task of convincing four "foreign" board members of local needs in relation to that school. At present he is arguing for a road west of the school to Skyline. If he convinces the road department the expenditure is justifiable, it will save scores of students several transportation miles each day. As it stands now, many

## LETTERS TO THE EDITOR

CONGRESS OF THE U.S.  
 House of Representatives  
 Washington, D. C.  
 May 14, 1957

Dear Editor:  
 Some of the readers have brought to my attention the article concerning your local Post Office which you wrote under the heading "The Dimmer View."

I have taken this matter up with the Post Office Department and they have assured me that they will look into it to determine what might be done. I am told that the policy of the Department has been changed during the last year or two where they are giving serious consideration to the convenience of the public, particularly in the matter of parking.

This is as it should be of course and I am sorry that it was not taken care of at Lemon Grove.

I hope that some correction can be made without unnecessary delay.

Cordially yours,  
 James B. Utt  
 Member of Congress

Congressman Utt's sincere interest in matters such as these, however remote they might seem, is one of the reasons he is returned habitually "landslide" back to Washington each election.

**BEAUTY**—Sharon Caselli, 17, 1618 Colfax Avenue, is adjudged the most beautiful among a field of six and will represent Lemon Grove at the Fairest of the Fair contest in June.

Contest was staged, as it is annually done in Lemon Grove by the local Lions Club. Shown making the presentation to Sharon is Roy Erwin, Lions Club president.

Last year the club chose Constance Kratz who was runner up in the finals at the Del Mar Fair.

Sharon is a student at Helix and this is her first competition. Her father, a well known orchestra leader passed away last year.

Other contestants included Carolyn Randall, Constance Reid, Linda Leach, Patricia Knapp and Barbara Fetters.

**MRS. STEUERMANN**

The Little Chapel of the Roses at Chula Vista, was the setting for a beautiful wedding Sunday, which united a popular Spring Valley couple; Marjorie Pauline Miller and Leroy Leonard Steuermann.

The bride is a graduate of Grossmont High School, class of 1956. She has been an employee of Convair. Her parents, Mr. and

Mrs. John H. Miller, reside at 10725 Garden Way, Spring Valley. The groom is also a graduate of Grossmont High, the same year. His folks, Mr. and Mrs. Leonard Steuermann, live at 10521 Del Rio Road, Spring Valley. The newly married couple will live in Florida, as he is stationed at the Elgin Air Force Base there.

## Sutton Pulls 'Dick Tracy' On Window Breakers

'Private eye' work on the part of Robert Sutton, principal of junior high school, resulted in the apprehension of 7 boys who broke 22 windows and exploded rotten duck eggs against two schools.

The culprits, ranging in age between 9½ and 14 and students of the 6, 7 and 8 grades were suspended and turned over to the sheriff's office. Sutton said two of the boys have been in trouble before.

Golden Avenue School, where Evelyn Lauritzen is principal, suffered the loss of 8 windows and had eggs splattered in and outside the buildings.

At Junior High School where Sutton is principal, 14 windows were broken and buildings, corridors and rooms suffered duck egg bombardment. The damage occurred Sunday after 5:30 p.m. he said.

Sutton said one window and one egg were broken three weeks ago. Two weeks ago they stepped up the tempo to 2 windows and

four eggs. This week was jackpot. He said he started detective work on the case after the second event, picked up a clue and "made" the case before noon Monday.

## Final Week For Miss LG Contest

Karen Joan Wrede, 1764 Dayton Drive, became the first entrant in the Lemon Grove Jaycees Miss Lemon Grove contest.

Verne Wilkinson, contest chairman said that this is the final week for entering. Rules are simple, he said. Girls must be between 16 and 25, single, and live in Lemon Grove or Spring Valley.

Talent is an important part of the competition and may include such things as singing, dancing, playing a musical instrument, display, dress designing, dramatic reading and the like. She may even give a three minute talk on the career she may plan to pursue.

Entry blanks, available from any Jaycee member, may be mailed to P. O. Box 366, Lemon Grove.

The pageant will be held June 1 at the Junior High auditorium.

## Review To Be Out Day Early

The Lemon Grove REVIEW will be issued one day early next week so that subscribers may have their favorite newspaper in time for the Memorial Day holiday.

Accordingly, deadlines have been advanced one day.

The newspaper will be received at home on Wednesday next week instead of Thursday. Publication date is changed because there will be no mail delivery on Memorial Day.

## LG C of C Asks SV C of C To Share Meet

The Lemon Grove Chamber of Commerce last week extended an invitation to the Spring Valley Chamber for a joint meeting. Meeting will be held in Lemon Grove on the first Tuesday in June. Common community problems will be discussed.

In other action the board appointed Jerry Howell to the board of directors replacing William Paul, resigned.

They appointed road committee to attempt to get directional signs to the freeway installed by the State Department of Highways.

They appointed Ken Rister to the Mayor's Committee on Mass Transportation and referred a clean-up campaign to the newly formed Development Committee.

They also relinquished a greater part of the forthcoming rodeo program to the LG Jaycee group. Senior chamber will handle program advertising and sales only.

## Girl, 12, Catches 5-Pound Monster

Nancy Graham, 12-year old daughter of Mrs. Olita Graham, 7888 Lester Avenue bid fair to win the title "Miss Big-mouth Bass of 1957" when she snagged a 5¼ pound bass at Lake Moreno.

She was fishing late in the afternoon with Olivia Romero, also 12, daughter of Heron Romero, the printer whose shop is at 7890 Lester Street when the bass struck her plug.

Heron, who was snoozing in the back, was awakened by the commotion which attracted all the other persons around the lake. Nancy boated the "monster" and the Grahams had a fish dinner Sunday.

## 'Bob' Gigliotti Dies at 33

Services were held at the Lewis Colonial Mortuary, Tuesday, for Agide P. (Bob) Gigliotti, 33, of 3730 Roja Terra Road, Lemon Grove, who passed away in Navy Hospital Saturday. He had been ill for some time due to a kidney ailment, being in and out of the hospital several times. Burial was at Mt. Hope.

Born in Schenectady, New York, Mr. Gigliotti had lived in this area since 1933. He was a graduate of La Mesa Elementary School and Grossmont High School. He was a building contractor.

Mr. Gigliotti is survived by his wife Jean; two children, John 5 and Deborah 4; his parents, Dr. and Mrs. Frank Gigliotti of Lemon Grove; a brother John also of Lemon Grove; a sister, Mrs. Mary Giesey of Washington, D. C.; and his grandmother, Mrs. Esther Pizzini of La Mesa.

He was a member of the Sons of Columbus and the Trinity Presbyterian Church.

## Buckner Tops Betts For School Board

Harry Buckner, 1744 Englewood Drive, a first time contender for the school board, defeated the 1954 top vote-getting incumbent, Bert A. Betts 570 votes to 417.

At the same election Palmer Svalstad, unopposed, was re-elected. One vote was written in for Max Goodwin, the editor of this newspaper.

By precincts the unofficial total was listed as:

|               | Buckner | Betts |
|---------------|---------|-------|
| Mont. Heights | 225     | 69    |
| San Miguel    | 130     | 137   |
| Vista La Mesa | 120     | 90    |
| Lemon Grove   | 45      | 121   |
| Total         | 570     | 417   |

In 1954 Betts received 356 votes when four aspirants ran for three school board seats. He bested that total in Friday's election.

Buckner, sponsored by a teachers' group, became the second

highest vote-getter in local school board history. He will be seated in June and said that he would put into practice the promises made during his campaign.

this area."  
Hagen, who has charge of the

## New Chief For Jobs-For-Juniors

Young folks needing tempo-  
rary jobs will have a new lady  
aiding them in getting placed,  
and folks with housekeeping and  
other domestic problems will re-  
ceive the same aid as last year  
in getting help from Juniors who  
need work, welcome small jobs  
or large.

Mrs. E. F. Kepner, who volun-  
teered to list jobs for Juniors  
last summer, and did a swell job,  
has taken a clerkship at Convalr,  
and is therefore unable to con-  
tinue her volunteer service.

Mrs. Anne Mueller, 7113 Waite  
Drive, Lemon Grove, HO 9-4321,  
has volunteered to take over the  
Jobs for Juniors.

Mrs. Mueller, a long time resi-  
dent of the Grove, finds that her  
health will not permit of activi-  
ties outside her home, and her  
previous career — she was on the  
stage as a singer and musician  
for 20 years, had to be given up.

Mrs. Mueller told this report-  
er "We have five children, four  
at home, and I have nothing to  
do except run the house. My old-  
est daughter at home is 16, ex-  
pects to be married in a few  
months. Meantime she is taking  
instructions from me in the art  
of housekeeping. She can do any-  
thing from cooking to sewing  
and home-making. She is "not  
available" for jobs. So that leaves  
me free to answer the phone and  
get and assign jobs for Juniors.  
I hope the young folks will call  
me, now, or anytime during the

pastor of the County, Reverend

### After-Prom Party Set For Helix Graduates

An after-prom party will be held Friday for Helix graduates but this time it will be held at the LaFayette Hotel Terrace Room and pool-side areas.

Mrs. Arno Mueller is after-prom chairman and has arranged for a program that will keep the youngsters entertained from 1:30 to 6 a.m.

Walter Fuller and his orchestra will supply music for the dance. Door prizes will be awarded at intervals. A pool-side buffet-style breakfast will be served at 3:30. The whole program will have a calypso flavor.

The after-prom affair was developed 2 years ago and it has been held in the Helix cafeteria. This year, for the first time, it is being held in a hotel. Until the after-prom idea was developed, according to Mrs. Mueller, youngsters used to scatter far and wide seeking excitement and fun that sometimes led to trouble and accidents.

Some of the parents working on committees include Mmes. Carl Mehl, Gilbert Townsend, Carl Planchon, Hal Donnell, Richard Whitmer and F. M. Sawyer.

## Ford, 26 Years Old, Bests 'Foreigner' In Wreck

A 19-year old sailor in '31 Ford ran a red light at Kettner and G Streets (near New Town Park, a block away), last Tuesday shortly after 5 p.m. and ruined a Volkswagen driven by Don Klitsch, an engineer employed in County Public Works, and living at 9031 Biret Street, Spring Valley, "doggone" near ruined me, too," Don says.

The Ford, doing 40 m.p.h. in a 25 mile zone, hit the foreign made car amidships and knocked it right out from under Don, who was driving carefully east on G street to the Lemon Grove Freeway.

Don fell to the pavement, lit on his left shoulder - he weighs 225 pounds - and was unconscious when picked up by ambulance crew. He didn't know what had happened 'til he went on the table at Mercy Hospital for X-Rays. Happily, no bones were broken, though his left shoulder and neck bones were pretty sore; still painful a week later.

Frances, Don's ever-lovin' wife, stayed in the car after the impact and severe injuries to one leg kept her in bed for several days. Considerable skin was scraped off the injured limb.

Frances' friends in the Tax Collector's office, where she has been employed for several years, deluged her with "Hope you get well soon" cards, and the neighbors brought in plenty of delicacies to help the healing. One neighbor brought two Tony's pies and a pint of half and half.

(milk). Explained that the famous Spring Valley strawberries were not available - this was Sunday afternoon - so the pies were substitutes.

Frances is a graduate in Home Economics of Iowa State College, and has been offered a teacher's job in the City Schools but prefers County Civil Service, if we are to judge from appearances and Don's particularly, she is a good cook.

The week's convalescing made it possible for the young people to get back to their jobs on Tuesday.

Don says that the sailor "did not have nothin'" in the way of insurance - didn't even own the car he was driving. Don was amply covered, and will have no bills, either for himself, his wife or the Volkswagen. That is a very comforting feeling. —D.H.

### DANGERS OF SUGGESTION EXPLAINED IN SCIENCE

The power of God to deliver from the despotic tendencies of mental suggestion and will power is brought out in the Lesson-Sermon, "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," in all Christian Science churches on Sunday.

A reference from I Samuel (2:3) admonishes, "Talk no more so exceeding proudly; let not arrogancy come out of your mouth: for the Lord is a God of knowledge, and by him actions are weighed."

### Services Held For Suicide Victim

Funeral services were held Tuesday at 9 a.m. at Paris Mortuary, El Cajon, for C. Phillip Schneider, 8095 Golden Avenue, Lemon Grove.

Mr. Schneider's body was found in an abandoned auto about 12 miles east of Descanso last week. He had been missing for three days when found by Coroner's deputies, who took the body to the County Morgue.

Schneider, who owned a bar in San Diego, had been mixed up in the book-making mess now being unravelled by the Grand Jury in the Silver Gate City, had given testimony and been held for trial before Superior Court. Just before the jury was impanelled, Schneider changed his plea of not guilty to guilty, and was to have been sentenced last week. His impending sentence prayed on his mind and a rifle found lying beside his body in the auto solved his difficulties, according to the Coroner's verdict.

## MORE COPS FOR AREA

Captain Roland Gautsche, head of State Highway Patrol in the County, has announced the addition of five men to the County's force.

The new patrolmen will be assigned to bolster the forces in eastern San Diego County.

Two complete day and night shifts seven days a week will be provided in patrol areas, including Lemon Grove, Spring Valley, El Cajon Valley, Bonita, Santee and Lakeside.

### 270 ADDITIONAL APPOINTMENTS COMING UP

The additional men comprise San Diego's quota of the 110 appointments granted by the Legislature in January. Pending legislation would provide the State with 270 more patrolmen in the Fall.

Capt. Gautsche said five more men are not enough to adequately patrol the county. He has asked for 21 more men.

### NEWCOMERS ARE EXPERIENCED

He said, however, that patrol service will be greatly increased in eastern San Diego areas because of the five additions. The five new men are not "rookies," but experienced patrolmen from other areas.

Beginning duty May 29, will be J. E. Halley, Riverside; E. E. Nunnery, Ukiah; D. R. Partridge, El Monte and R. B. Sipes, Norwalk. Robert Spies, formerly of Julian, started work May 1.

Addition of the five new men brings the total force of the district to 61.

## HID Heads Ask Bond Support

The Helix Irrigation District directors this week urged approval of the \$35,000 bond issue for construction of a second aqueduct to San Diego County. The election will be held Tuesday, July 9, in the water agencies that are members of the San Diego County Water Authority. Polling places will be announced later.

Citing the tremendous growth of San Diego County as placing a demand for water that is greatly in excess of the local supply, the directors declared in a resolution that approval of the bond issue is necessary if more imported water is to be brought in to the county.

The resolution said that only by means of the bond issue can the county avert a serious blow to its development and economy. "Everyone who has the welfare of our community at heart is urged to unite in a concerted effort to assure approval of the bond issue, lest our efforts to improve our community go for naught because of a lack of water, the community's life blood," the resolution said.

The Helix directors urged city councils, chambers of commerce, school districts, service clubs and other groups and individuals to actively support the bond issue.

## THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Of seven matters set for hearing by the Board of Supervisors on Tuesday, starting at 9:15, when the Board of Directors of Palm City Sanitation District were scheduled, three were continued, one approved and a beekeeping ordinance was tentatively approved, as drawn up by the Agricultural Commission but as the 500 individual beekeepers had not been notified, and could not come in anyway because of the weather, they will be mailed a copy of the ordinance. It is a very busy time with the apiarists, swarming time, when the bees change their habitats if the new queen so decides.

Hearing on Resolution of Intention to abandon a portion of the unnamed street (now Nixon Street), Encanto, as requested by Land Title Insurance Co. (Planning Commission recommends approval concurrent with approval of final map of Larwood Park, Unit No.3, which is not ready. Matter was continued until June 11, 1957. (This is third continuance).

## ZONING

The continued hearing on appli-

cation of Roger A. Wilkinson, et al. for a rezoning classification from A-4 (1) to E-2B of certain property within Sweetwater Valley Section. It developed that one man owned property in each of two places, and it was difficult to keep track of which place was which. Finally, Dr. Miller pulled a map and stuck it up on the electric board. That clarified the situation for Dave Bird in whose district the property lies, and the matter was continued 'til the map is ready.

Hearing on petitions for reclassification of property by Edward Loustalet, et al. had the approval of the Planning Commission. Pronunciation of Loustalet's name differed, some calling the name in the French manner, with the T silent. Chairman Austin remarked that when he went to High School with the gentleman's sister, the sister called the name Loustalet. Just a reminder that De Graaf has been around and about this section for a long time.

At 11:30 time was reserved for consideration of a proposed ordinance to regulate bee-keep-

ing in Imperial Valley, where apiaries - one hive or a hundred, must have a sign with the owner's name and address on the gate, must be 600 feet from any but the bee owner's residence, and 300 feet from any public road, and water must be available for the bees close to the apiary. Also, bees being moved must be screened in.

Dean Howell said he had received only one complaint about bees in the 16 years he has been on the Board.

## WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Guarding the safety of you and your family is a big part of any telephone man's job. That's why we each take a course in "defensive driving." It teaches us ways to avoid accidents—to anticipate what other drivers or pedestrians may do. It really works too. Our drivers cover millions of miles every year and chalk up one of the best safety records in the U.S. It pays off for us and our families, and for you too, for it helps make driving safer for everyone.

A reserve of power guards your phone service—day in and day out. Happily, storms and other emergencies don't come along often. But we keep ready anyway. Special standby generators run by gasoline or diesel engines have been provided in each telephone central office. If needed, they can take over to supply necessary power. This is one of the many ways we work to provide telephone service you can count on.

Construction is well along on our new garage located on La Mar Street near Bancroft in Spring Valley. Due in service this August around sixty men will work out of this headquarters installing and maintaining telephones in the Spring Valley, Lemon Grove and La Mesa area. The site and building will include paved parking area, offices, garage, repair space, supply and meeting rooms. This operation will work in conjunction with our new testing and control center now nearing completion in La Mesa.

Dick and Sherry Thomson, the couple who will operate Lemon Grove's newest drug store, pose with their delivery jeep.

New store, which they have named Dial Drugs, is located near the post office at 7961 Broadway.

The couple plans to start operation of the store on Monday May 27th but formal opening will wait until Thursday, Friday and Saturday June 6, 7 and 8. Free sample merchandise, gifts and prizes will be given to visitors at that time.

### Dimmer View

(Continued)  
students from Lemon Grove must go north to Palm or south to Jamacha, travel east to Sweetwater, then double back.

Svalstad is also running into board opposition on the district's architect, Herluf Brydegaard. For some unfathomable reason at least one member of the board wants to re-acquire the firm of Curtis and Foster. These people designed the El Cajon Valley High School which was built in 1954-55 at a cost of \$14.60 per square foot.

Mt. Miguel, now nearing completion, designed by Brydegaard, is being built at a cost of \$11.03 a square foot. This is \$3.57 less per square foot, than the cost of El Cajon High in spite of two years of spiraling costs added to the Mt. Miguel plant.

Curtis and Foster designed Helix which was built for the terribly high figure of \$21 a sq. ft., but that was in 1950-52 where the impact of the Korean War caused building costs to increase incredibly.

Svalstad put his pencil to paper and came up with this interesting observation. If, he said, \$3.50 a foot could be saved on Helix (142,279 sq. ft.) and El Cajon (149,776 sq. ft.) High Schools, more than a million dollars would have been cut from their cost.

Practically enough to build another high school.

Recent rains contributed to the beauty of our community... but they also contributed to its hazards. These hazards are those of vegetation growing tall (and beautiful) at the corners of residential intersections... cutting off the view of motorists.

I made the tour of our community the other day in the company of a self-made safety engi-

neer and his charge that too much danger lurks at these corners is justified.

In one instance, on a street crossing Cypress, it was necessary to pull into the southbound traffic lane in order to see whether traffic was approaching from the other direction. A healthy palm tree at the corner cutting off the view.

We counted seven dangerous corners, where your car, or mine... or worse, your kid or mine, might easily meet with tragedy. These hazards are in complete control of the property owner. Only they can make them safer since there is no law by which your neighbor and friend can be made to "daylight" his corner.

Soon the Lemon Grove Junior of Commerce will embark upon a "clean-up" campaign. I heartily recommend that these capable young men make "daylighting" a part of their project. I feel that should they take the trouble to visit the owners of the property

involved and explain why "daylighting" is so important, most of the owners would clear up their corner at once.

Both the Jaycees and property owners would then have made a praiseworthy contribution to their community's safety.

On my desk at the present writing are six groups of tickets to various and sundry local events and projects. I think it is fair to state that this is the norm in this area for tickets... that you could buy six different kinds of tickets on any given day.

For the first time, as far as I know, local business people are selling tickets to an event they are sponsoring. The event is their First Annual Fiesta Dessert Style Show scheduled at the Junior High School Cafeteria on June 5 at 8 p.m.

If the organizations who regularly sell tickets to these merchants, each bought tickets to the Style Show, no meeting place hereabouts would hold the crowd.

Unfortunately, many will not be able to show appreciation because tickets will be sold out soon if the sales continue at the present pace. Those who have acquired tickets plan to make it a sort of social Fiesta kickoff.

It so happens that on my desk in group number one I have several tickets left. Reserve now or be unable to get in!

Sadie Marder who runs the gift shop on Broadway couldn't stand it when I dated myself last week by admitting to owning an old fashioned fountain pen. It is the kind that the cap screws off bearing the beautiful gold point.

Came by messenger the same week a note in which Sadie said she had enclosed a "new fangled idea." Said progress might be stopped if I didn't mend my ways.

The enclosure was a long, round implement with the words "Scripto" on the side. Makes solid-sounding clicking noises when I push on the two or three gadgets on the top and side. Guess something opens up when you click it a couple of thousand times... like one of those self opening piggy banks.

I was so intrigued by the clicker, I rushed out my fountain pen with a screw cap and shiny gold point and wrote Sadie a note of thanks.

Clickers, I'll bet, will take the place of mah jehing.

### 4-H Animals To Go On Block June 1

EL CAJON (Special)—Over 600 animals will be exhibited by Future Farmers of America and 4-H Clubs of El Cajon, Lemon Grove, Ramona, Spring Valley, Jamul, Japantul, Alpine and Dulzura at the Eastern San Diego County Fair and Junior Livestock Show to be held at Gillespie Field May 29 to June 2. A majority of these will be sold at auction on the Fair Grounds, June 1 at 7:00 p.m. This will be the first year for the auction, and according to advanced reports coming in to Roy Pierce and Richard Chilson, all major meat packers and chain meat departments will be represented at the sale.

Visitors to the fair will see the top animals raised by 4-H and FFA members. In fact, the poultry exhibit will include the recent winner of the State Championship entered by the El Cajon FFA. From premium beef, to sheep, hogs and goats all entries will be vying for the more than \$3,000 in prizes and trophies. Jim Dyer, agriculture chairman of the fair, stated that registration by the youngsters, ranging in age from 10 to 21 years, has far exceeded any expectations.

### LG Little League Results . . .

Lemon Grove Little League started off with a bang April 28, with a carnival at Little League Field, Washington and Mt. Vernon.

All teams played two innings each.

On April 30 the regular season started. It will end August 16 in a blaze of glory, we hope.

There are six teams in the Majors and six teams in the Minors. Game time, Tuesday through Friday, 5:30 p.m.

Saturdays will have double-headers, with first game called at 1:30 p.m.

Games for two weeks scored as follows:

| Team    | Won | Lost |
|---------|-----|------|
| Braves  | 4   | 1    |
| Tigers  | 3   | 1    |
| Dodgers | 2   | 2    |
| Yanks   | 1   | 1    |
| Cubs    | 1   | 3    |
| Indians | 0   | 3    |

Note—We will have the Minors scores next week.

The Grandstand holds 500, and Grove folks are invited to watch our boys knock 'em over the fence. —D.H.
